note:	There was a caution on lap 69 of the race. During the caution period, rains began to increase and officials determined that it was no longer safe to continue the race. By rule (3.19) the race was concluded and called complete/official. The official finish order was based on the running order of the last completed green flag lap (lap 68) with the following adjustments									
	* cars that pitted during the caution (#14, 01x, 84, 25, 72c, 28) were placed behind cars that remained on the track									
	* cars involved in the lap 69 caution (#09x, 15) were placed at the end of the lead lap
